EXHIBITION BANNERS

We have a few available exhibition banners. Below are the most common.

Roll up banners made from strong durable aluminium.
 Snap rail profile on top. Two fold out feet. Easy open padded case

Pop-up Banner
 standard

TRIM	850mm x 2050mm
------	----------------

Pop-up Banner
 deluxe

TRIM	850mm x 2150mm
------	----------------

Eco Flex Sign

TRIM	460mm x 783mm
------	---------------

Powder coated gloss white aluminium panel – Lightweight, portable design. Large display area for maximum visual impact. Rounded corners and smooth edges for high pedestrian safety. Rugged recycled PVC base provides excellent stability. Built-in carry handle.

Springboard Pavement Sign

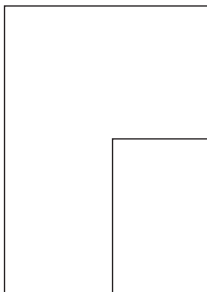

TRIM	594mm x 841mm (A1)
------	--------------------

Attractive styling and excellent quality. Snap open, snap shut snapframes for quick and easy poster change. Silver anodised frame with rounded corners for safety. Water-fillable base for optimum stability. Built-in wheels for ease of movement. Heavy duty mounts ensure stability by allowing panel deflection in the wind. Anti-glare PVC cover.

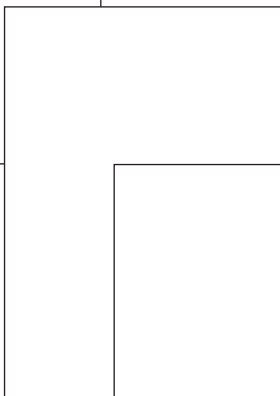

TOP TIP
 Contact us with any questions on the above requirements
 That question could save you time and money.
